

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WASHINGTON

KEVIN REVELS,

Plaintiff,

vs.

JEANINE WORDEN,

Defendant.

NO. CV-10-358-EFS

ORDER DISMISSING ACTION

Plaintiff is a Texas state prisoner confined in the Allred Unit of the Texas Department of Criminal Justice in Iowa Park, Texas. Plaintiff appears to complain Defendant Worden has not responded to his requests to be transferred to a medical unit for disabilities of his hand and eye. It is not possible the events giving rise to his claims could have occurred in the Eastern District of Washington. Accordingly, this Court does not have jurisdiction.

The Court takes judicial notice of the fact Mr. Revels attempted to file another case in this district last year. See CV-09-122-CI. Due to Plaintiff's litigation history, the Court determined it would not further the interests of justice to transfer that action to a United States District Court in Texas.

For the reasons set forth by the magistrate judge in CV-09-122-CI,

1 the Court finds it would not further the interests of justice to
2 transfer the present action either. Accordingly, **IT IS ORDERED** this
3 action is **DISMISSED** without prejudice to Plaintiff filing in the
4 appropriate venue. All pending motions are **DENIED AS MOOT**.

5 **IT IS SO ORDERED.** The District Court Executive is directed to
6 enter this Order, enter judgment, forward a copy to Plaintiff and close
7 the file. The Court further certifies any appeal of this Order would
8 not be taken in good faith.

9 **DATED** this 18th day of October 2010.
